

CERTIFICATE

I hereby, **Jean-Marie BARET**, *International Regulatory Affairs Director Pharma D. Toxicologist Eurotox*, certify that **KIBIO** products are manufactured in accordance with the EEC Cosmetics Directive 76/768 CE modified by 2004/93 CE dated September 21th 2004, in particular its article 2 (N° 76/768 dated July 27 th, 1976) which states :

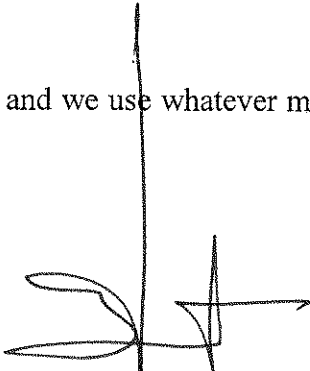

"Cosmetic products put on the market within the community, must not be liable to cause damage to human health, when they are applied under normal conditions of use".

Moreover, which forbids the usage of phthalates :

- . Di(2-ethylhexyl) Phthalate (DEHP)
- . Dimethyl phthalate (DMP)
- . Dibutyl phthalate (DBP)
- . Dioctyl phthalate (DOP)
- . Diisononyl phthalate (DINP)
- . Butyl benzyl phthalate (BBP)

are not used in composition of **KIBIO** products.

Safety of our consumers is a permanent concern to our society, and we use whatever means to make sure of it.

Jean-Marie BARET
International Regulatory Affairs Director
Pharma D. Toxicologist Eurotox
